

Welcome to the Gladstone High School 2020-2021 School Year!

As you all know, things will look a little different this year. For starters, we won't all be together every day, every hour. There are lots of questions about how this will work, so here are details about when and how to report based on the preference you and your parents selected for your family and learning situations.

In-Person Instruction

Report to all your classes on Tuesday, September 1st, beginning at 8:05.

All students will be given an individual chromebook to carry around from class to class and return at the end of the day. Masks will be worn throughout the building all day, except for lunch.

Blended Instruction*

Last Names A-L: Report to all your classes physically on **Mondays** and **Thursdays**. On the days you do not physically report, log into all your classes through Google Classroom at the start of each period for live-streamed instruction. (You will not physically come on the first day of school.) All students will be given an individual chromebook to carry around from class to class and return at the end of the day. Masks will be worn throughout the building all day, except for lunch where you will be social distancing .

Last Names M-Z: Report to all your classes physically on **Tuesdays** and **Fridays**. On the days you do not physically report, log into all your classes through Google Classroom at the start of each period for live-streamed instruction. (You will physically come on the first day of school.) All students will be given an individual chromebook to carry around from class to class and return at the end of the day. Masks will be worn throughout the building all day, except for lunch.

Online Instruction*

Report to all your classes at the beginning of each period for live-streamed instruction. Refer to the class schedule below.

*ISD students do not have an online option for their CTE classes. Contact Mr. Bellinger at the ISD with concerns or Mrs. Herioux at GHS for a schedule change if you cannot physically attend classes.

Student Screening

Before leaving for school, please make sure of the following screening. If your child has any of the following symptoms, that indicates a possible illness that may decrease the student's ability to learn and put them at risk for spreading illness to others.

Symptoms

- Temperature 100.4 degrees Fahrenheit or higher when taken by mouth
- Sore throat
- New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache, especially with a fever

Close Contact/Potential Exposure

In the past 14 days has your child:

- Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19: OR
- Had close contact (within 6 feet of an infected person for at least 15 minutes) with person under quarantine for possible exposure to COVID-19; OR
- Had a travel history

If the answer is **YES** to any of the **symptom** questions, keep your child(ren) home from school.

If the answer is **YES** to any symptoms question and **YES** to any close contact/potential exposure question, call the school as soon as possible to let them know the reason your child(ren) won't be there today. Call your healthcare provider right away. If you don't have one or cannot be seen, go to www.mi.gov/coronavirustest or call 2-1-1 to find a location to have your child(ren) tested for COVID-19.

If the answer is **YES** to any of the symptom questions, but **NO** to any close contact/potential exposure questions, your student may return based on the guidance for their symptoms (see "[Managing Communicable Diseases in Schools](#)"):

- Fever: at least 24 hours have passed with no fever, without the use of fever-reducing medications
- Sore throat: improvement (if strep throat: do not return until at least 2 doses of antibiotic have been taken);
- Cough/Shortness of breath: improvement
- Diarrhea, vomiting, abdominal pain: no diarrhea or vomiting for 24 hours
- Severe headache: improvement

DISCLAIMER: This screening tool is subject to change based on the latest information on COVID-19.
